Bureau Chief, Building Codes Program

For all work done under this permit number, the permittee accepts full responsibility for compliance with currently adopted building codes as amended by administrative rule, and other applicable State statutes.

Granted in accordance with Title 50, Chapter 60, Part 2, MCA, and all other administrative rules promulgated there under.

Granting of this provisional permit does not implicitly or expressly preempt or authorize violation of the provisions of any other state or local law relating to or regulating building construction. It remains the responsibility of the permit holder to comply with the State Building Codes regardless of whether non-complying items were identified during plan review or during inspection. Check local zoning requirements. State licensing laws require that only properly licensed personnel be used to install electrical or plumbing systems on commercial or public projects.
